**A word from your President**  
**By Neil Kerwin, Association President**

Happy New Year to all and hope your Holiday Season was fulfilling. Now that 2014 is in our rear view mirror it is time to focus on what an excellent time we have ahead for our industry.

We are all sitting in a great position to succeed. Prices are up and look to continue that trend for the upcoming year. Buyer's confidence in real estate as an investment is growing. We must continue to educate our communities to the importance of using a REALTOR®. We must continue to educate ourselves so we can remain who our communities look to for real estate answers. A way to start the New Year off right would be to attend our first membership meeting "Property Assessment—Fact, Fiction, Art, Science or Alchemy". With a program name like that how could it be bad? Also, this month we have our Annual Dinner Dance and New Year's Kick Off Party! Details on the membership meeting and dinner dance are within the newsletter. Hope to see you all at both events and wish everyone the best in 2015!

Thank you

## ASSOCIATION NEWS

2

A Note from your Association Executive:

Now that the holidays are over and all your CE is done for 2014 and all the renewals have been made. It is time to start planning for 2015. Please keep in mind that this Association is your Association and it can be all that you want it to be. I would like to thank all of you that participated in the recent Strat Plan Survey, your answers will help us start to build your Association for the future. There were 58 out of our 300+ members that responded so to you all I say "Thank you".

Please plan on attending the many functions that our Programs Committee are putting together for you all. The first one is coming up on Thursday, January 15<sup>th</sup> this will be a general Membership Meeting. (see registration in this newsletter) The next event will be our elegant Dinner Dance to be held on January 16<sup>th</sup> at KANDU Best Events. (see registration in this newsletter) I will post a schedule of other events in the next publication.

I am here for you, the members. If there is anything I can help you with, please let me know. My door is always open.

Vicky Kreyer

**ANNOUNCEMENTS**

We are gearing up for our **5<sup>th</sup> Annual Community Family Fun Fair**. We are adding some new and exciting features this year that I hope everyone will enjoy. So please be sure to bring your children and/or grandchildren.

Booth sales are starting and we are always looking for sponsors. If you are interested in a booth or sponsoring please let us know. Thank you in advance for all your generosity and help with this great event.

As you all know, we have to comply with the new set of Core Standards and this event is a big one for community relations. So please put this on your calendars and plan on attending. **After all, it is held for you, the REALTORS® to let them know who you are and what YOU are all about. With this in mind we are going to have a 5<sup>th</sup> anniversary special REALTOR® booth, run by REALTORS®, the time slots will be 1 hour shifts needing 2 per shift.** If you would like to volunteer please let me or Karen Williams know. Your booth will be doing a go fishing game. We will provide everything we just need you to run it. Thank you for all your help! Have some fun and do some great networking while you are there. It is a Win Win.

**The Community Family Fun Fair is a FREE event for children and adults of all ages. It was created and partnered with Project 16:49 to raise money and awareness of teen homelessness. We are looking for Silent/Live auction items also, so if you have one to donate please let me know.**

This year's event will be on Thursday, April 9, 2015 from 3-7 p.m. at the Pontiac Conv. Center.

**SAVE THE DATE: February 10, 2015 for this year's co-event with the Builders Association (SCWBA). Chili Cook-Off 2015.**

This year's event will be held at Marling Home Works and will begin at 5 P.M. Start creating that perfect pot of Chili and get your teams together. Details and Sign-Up sheet will be coming soon.

**MLS INFORMATION:****Top 10 Apps for REALTORS®****\*\*KeyMe System requirements: iOS.**

With KeyMe, you're able to take a picture of a key, and based on that image, you can order duplicate keys via mail. Locked out and can't wait for a mail order? Most locksmiths can make a physical key from scratch by following the instructions and design specifics in your KeyMe app. Also, you can visit a KeyMe kiosk for a key. By logging in to your digital keychain at a kiosk, the kiosk's virtual locksmith can create and print a new key in 30 seconds. His name is Larry, by the way.

**\*\*Dropbox System requirements: iOS, Android and more.**

This application continues to be at the top of the list for "must have" apps for real estate agents. Frankly, Dropbox should be a "must have" for everyone! With Dropbox, you can store files in the cloud, which makes them accessible anywhere you have an Internet connection and on any device. Dropbox can be used to transfer large files, such as listing videos or photos, to yourself on a different device, or you can send the files to a client with a unique Dropbox link even if the party doesn't have a Dropbox account.

**\*\*Google Maps System requirements: iOS, Android and more.**

The GPS devices popular five years ago are already a thing of the past. You don't need a separate GPS device to lug around when you can use your smartphone or tablet for navigation and directions. Whether traveling local from house to house with a client, or if you're in a new area on a trip, Google Maps comes in handy to offer navigation or maps wherever you may be. You can also ask the app questions like "where is the closest grocery store?" by taking advantage of the feature to search nearby for answers to your questions.

**\*\*LastPass System requirements: iOS, Android and more.**

KQo-3oyB>VXG^-6. That's a strong password! But how could you remember that?

The slogan for LastPass isn't just catchy — "The Last Password You'll Have to Remember" — it's true. LastPass will store your passwords for the websites you typically visit, and it also can generate new random passwords for new websites when you sign up for new accounts. Employing advanced encryption technology, LastPass data are strongly secure and are never shared with LastPass; your information is accessible only by you. LastPass can be helpful for any REALTOR® — both professionally and personally. Brokers, owners, managers and team leaders specifically can benefit from LastPass Enterprise by using it as a single-source password management solution for multiple employees.

**\*\*Evernote System requirements: iOS, Android and more.**

Yes, Evernote is one of the featured apps again. What can't you keep track of in Evernote? Evernote can help you with notes, organization, receipt tracking, Web clippings, client communications, checklists and more! You can have your files accessible on your computer or available online.

**\*\*Snapseed System requirements: iOS and Android.**

Snapseed is a favorite photo-editing app on the go. Snapseed allows for simple editing options, such as brightness and contrast, to extensive editing with focal and gesture-driven tools, such as tilt-shift photography. You can send your revised and edited photos to your iPhone library, Facebook or Twitter as well as email.

**\*\*IFTTT System requirements: iOS, Android and more.**

The app If This Then That allows you to create a command with a two-step trigger/action feature, known as a "recipe." By creating IFTTT recipes, you're able control IFTTT to perform various automatic functions for you. Some recipe examples include: If I post a photo to Instagram / Then save that photo to my Dropbox account. If I add a note in my "buyer" notebook on Evernote / Then add it to my "buyer" folder in Dropbox.

If the weather is sunny / Then post the tweet, "Happy to see the sun."

If the date is May 9 / Then post to my daughter's Facebook wall, "Happy Birthday, Love Mom."

Did you just envision your amount of free time greatly expand?! Creating recipes within IFTTT can save you a great deal of Internet time since your various website visits are no longer necessary and instead become automatic.

**\*\*Amazon System requirements: iOS, Android and more.**

The Amazon app allows you to search, find and purchase items from the Amazon store quickly and efficiently. Amazon offers a diverse catalog of products and comes in handy to order anything from office supplies to client appreciation gifts. With a paid Amazon Prime Membership, you can receive many items in two days.

**\*\*Aviate System requirements: Android.**

If you're an Android user and you enjoy customizing your phone, Aviate provides a Home Screen organization that has been a favorite for a few years now. Aviate provides spaces for widgets like photos on different screens, grouping applications in collections for easy access, and providing news headlines, weather and your calendar together. You're able to categorize your existing apps — such as Yelp, Savoured and OpenTable in a "restaurant" category. In addition to these manual functions, you can also let Aviate figure you out! The app can determine custom-built interfaces, called "spaces" based on your phone activities that can change throughout the day. For example, your "space" in the morning may automatically display alarms and your schedule for the day.

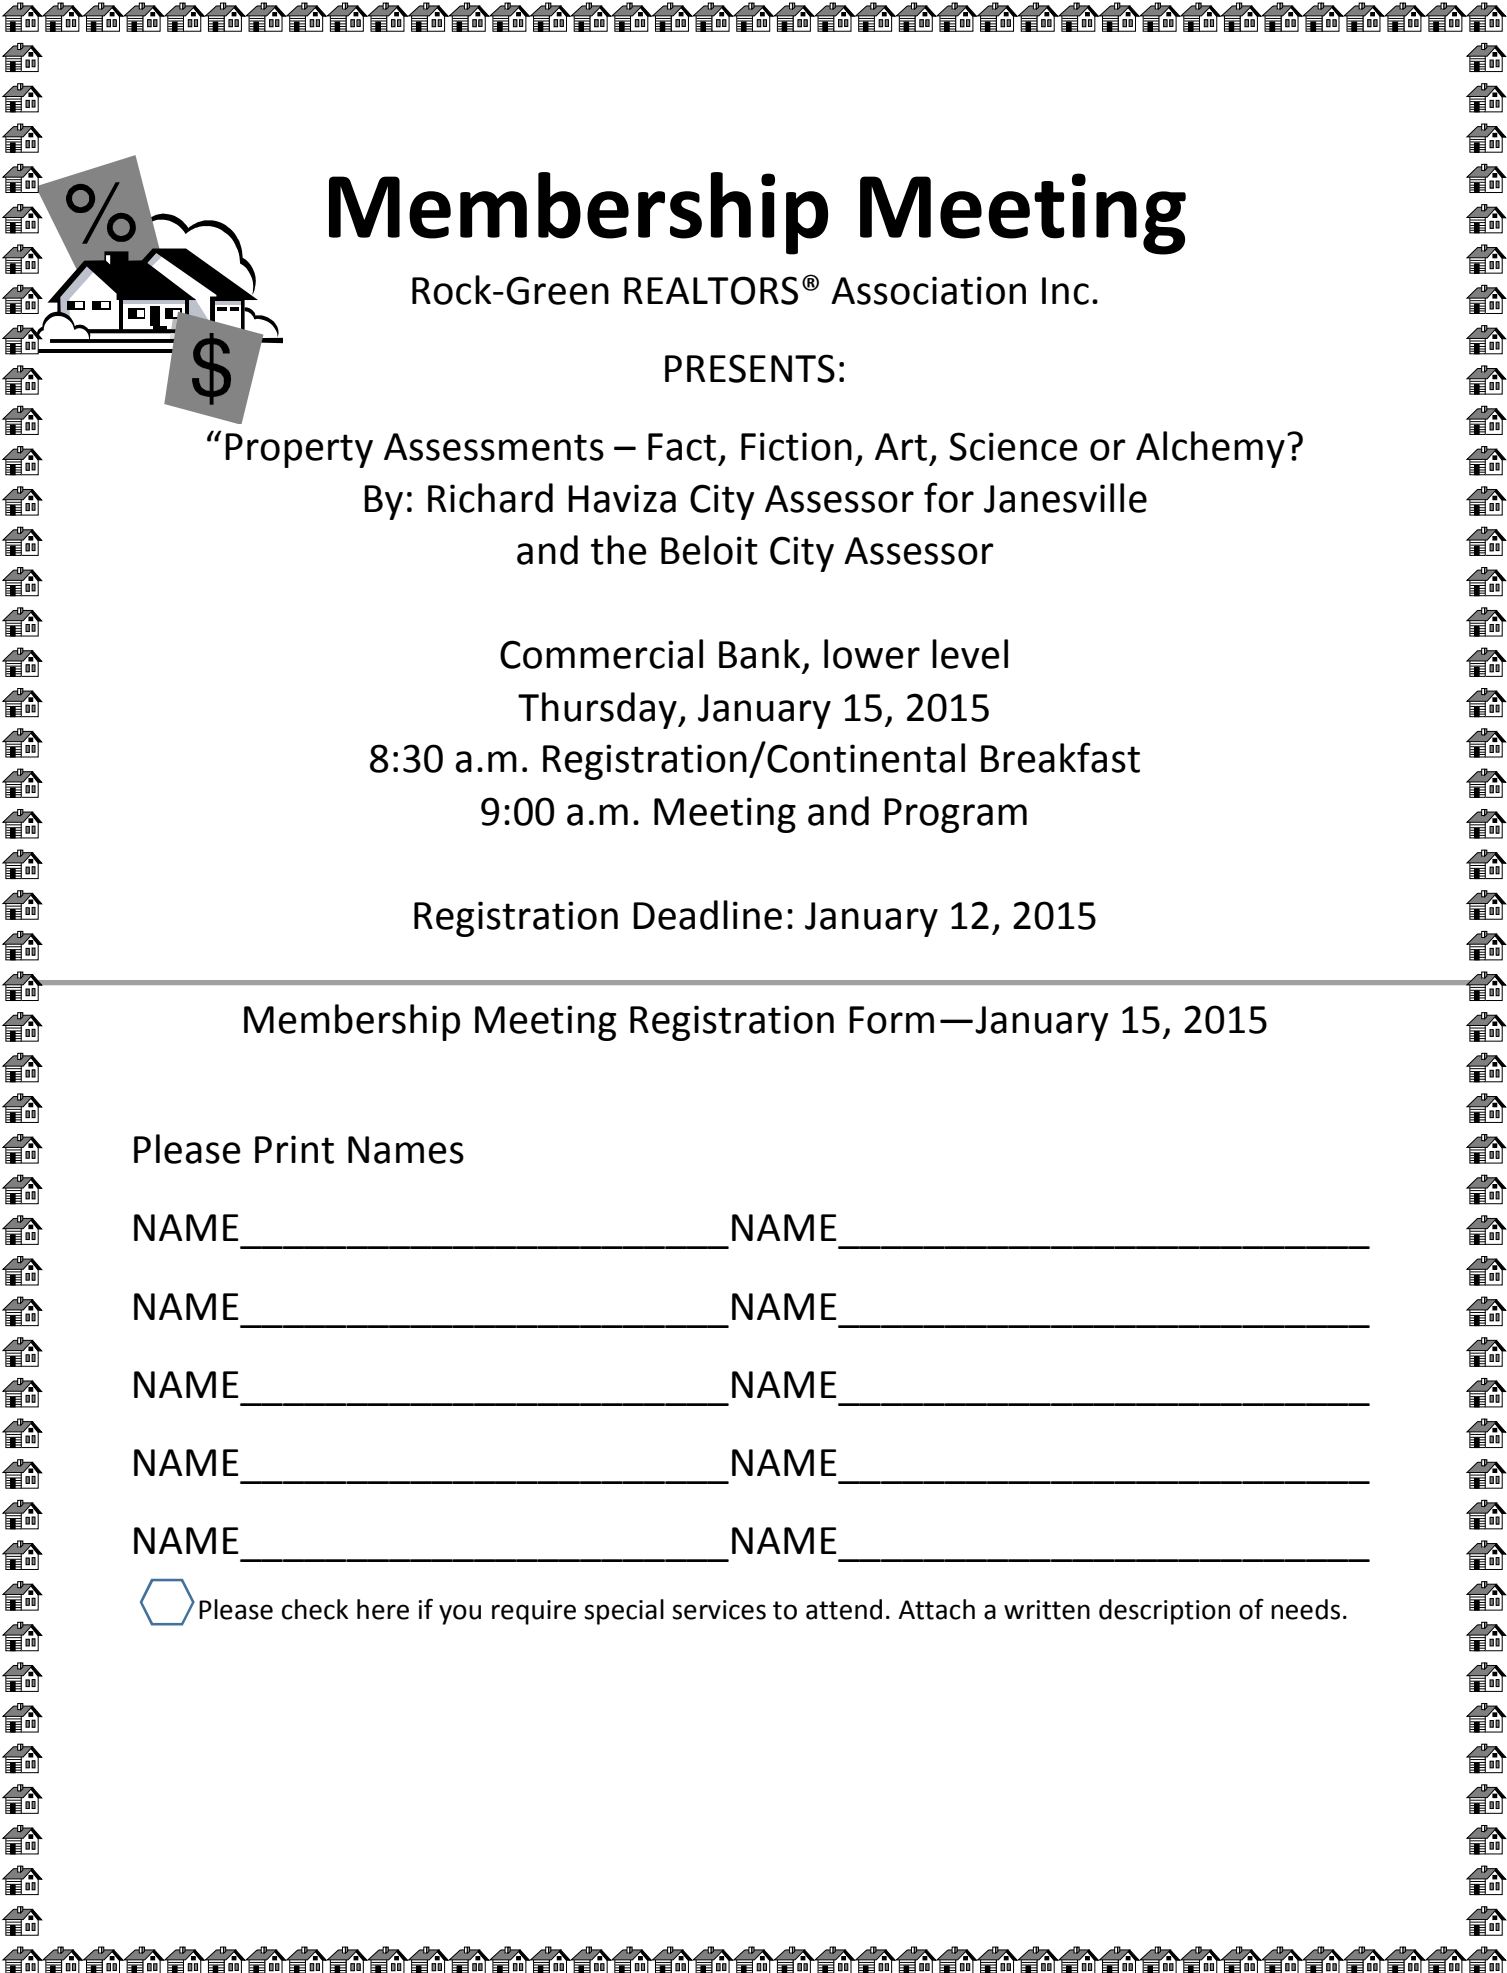

**\*\*Find my iPhone System requirements: iOS.**

For iOS users, this is an application you hope you don't have to use, but can help you locate your device if you misplace it or wipe it clean if you are concerned that it's in someone else's hands. This application should be one that you set up and install because if you misplace your device — it'll be too late. System requirements: iOS.

*Thank you, Sue*

The **MLS COMMITTEE** makes decisions about changes to Paragon, the keycard system, and MLS rules. If you would like to discuss an item you feel would make our MLS better or a reason for it to be changed, please feel free to contact a member of the MLS Committee. Your contact is Paul Schieldt at 608-741-1000. Paul is your representative on the MLS Committee for any MLS question/comments/suggestions. You may also call the Association office at 608-755-4841 and we will give your questions /comments/suggestions to Paul for you.

**Please remember when taking photos of your listings you should take the photos before placing your sign. If that is not possible blur out the sign with your name and office. Your information is not allowed in the photo.**
